

Covid-19 Warehouse Safety

from aklogisticsandsupplychain.com

Maintain Social Distancing

Maintain a distance of at least 2 Metres (6 foot) between employees or any drivers visiting the site at all times.

Increased Hygiene

Wash your hands regularly with soap and hot water for at least 20 seconds.

Avoid touching your eyes, nose and mouth with unwashed hands

Cover a cough or sneeze with a tissue or elbow then throw away the tissue and wash your hands.

Clean and disinfect surfaces regularly throughout the working day.

Prevention

Do not handle carrier signature devices

While maintaining social distancing, examine the condition and quantity of the items being delivered. Once satisfied advise the driver to sign your name on their device on your behalf.

Do not prevent visiting drivers from using the bathroom facilities.

Drivers should be allowed to wash their hands to maintain increased hygiene.

Protection

Wear disposable gloves to create a barrier between your skin and all surfaces.

Avoid sharing pens, tools and equipment wherever possible.
